

Sexology

Sexology

Overview

Embark on a journey of comprehensive understanding and holistic education with our Sexology curriculum. In this comprehensive program, we navigate the intricacies of human sexuality, offering a profound exploration that encompasses both the physiological and psychological aspects.

Our curriculum is meticulously crafted to empower individuals with a deep and nuanced understanding of human sexual behavior, relationships, and overall well-being. Through a contemporary lens, we address the diverse dimensions of sexuality, fostering a safe and inclusive space for learning.

Join us on this transformative journey, where our Sexology curriculum not only imparts knowledge but also nurtures sensitivity and empathy. Through engaging coursework and expert guidance, we aim to shape informed professionals capable of promoting healthy sexual attitudes and fostering positive relationships. Embrace the opportunity to gain profound insights into this vital aspect of human life and contribute to creating a more open and understanding society.

Reproductive Gross Anatomy

- Overview – Bony Pelvis
- Superior View – Pelvic Floor
- Inferior and Medial View – Bony Pelvis
- Male and Female Differences – Bony Pelvis
- Pelvic Walls – Pelvic Floor
- Structure and Components – Pelvic Floor
- Conclusions – Bony Pelvis and Pelvic Floor
- Male Reproductive Organs: Introduction
- Bladder and Urethra – Male Reproductive Organs
- Sectioned Pelvis: Bladder – Male Reproductive Organs
- Testes – Male Reproductive Organs
- Sperm Route and Seminal Vesicle – Male Reproductive Organs
- Prostate – Male Reproductive Organs
- Rectum – Male Reproductive Organs
- Male Reproductive Organs: Conclusion
- Female Reproductive Organs: Introduction
- Vaginal Fornix – Female Reproductive Organs
- Uterus: Uterine Tubes – Female Reproductive Organs
- Uterus: Broad Ligament – Female Reproductive Organs
- Ovaries – Female Reproductive Organs
- Female Reproductive Organs: Conclusion
- Branches of Internal Iliac Artery: Introduction
- Anterior Branches – Branches of Internal Iliac Artery
- Posterior Branches – Branches of Internal Iliac Artery
- Pelvis: Paired and Unpaired Arteries – Branches of Internal Iliac Artery
- Differences Between Male and Female – Branches of Internal Iliac Artery

- Blood Supply of the Rectum – Branches of Internal Iliac Artery
- Branches of Internal Iliac Artery: Conclusions
- Perineum
- Perineum: Boundaries and the Perineal Membrane
- Ischioanal Fossa – Perineum and External Genitalia
- The Lateral Wall of the Ischioanal Fossa – Perineum and External Genitalia
- Perineal Pouches – Perineum and External Genitalia
- Male Perineum
- Male Perineum: Superficial Pouch
- Female Perineum
- Anal Canal – Perineum and External Genitalia
- Analsphincters and Puborectalis – Perineum and External Genitalia
- Perineum: Neurovasculature
- Perineum and External Genitalia: Conclusion
- Lymphatic System – Lymphatic Drainage of Abdominopelvic Organs
- Lymphatic Drainage of Abdominopelvic Organs: Summary
- Abdominopelvic Viscera – Lymphatic Drainage of Abdominopelvic Organs
- Lymphatic Drainage – Lymphatic Drainage of Abdominopelvic Organs
- Lymphatic Drainage of Abdominopelvic Organs: Conclusion
- Autonomic Nerves of Abdominopelvic Organs: Introduction
- Autonomic Nervous System – Autonomic Nerves of Abdominopelvic Organs
- Foregut and Midgut – Autonomic Nerves of Abdominopelvic Organs
- Hindgut – Autonomic Nerves of Abdominopelvic Organs
- Rectum and Anal Canal – Autonomic Nerves of Abdominopelvic Organs
- Erection, Emission and Ejaculation – Autonomic Nerves of Abdominopelvic Organs

- Referred Pain – Autonomic Nerves of Abdominopelvic Organs
- Autonomic Innervation: Summary
- Autonomic Nerves of Abdominopelvic Organs: Conclusions

Reproductive Histology

- Testis: Introduction – Male Reproductive System
- Testis: Structure – Male Reproductive System
- Testis: Seminiferous Tubule – Male Reproductive System
- Testis: Spermatogenesis – Male Reproductive System
- Testis: Sertoli Cell – Male Reproductive System
- Testis: Mature Spermatozoon – Male Reproductive System
- Testis: Leydig Cell – Male Reproductive System
- Testis: Hormonal Control of Spermatogenesis – Male Reproductive System
- Other Structures – Male Reproductive System
- Duct System – Male Reproductive System
- Epididymis – Male Reproductive System
- Ductus Deferens and Spermatic Cord – Male Reproductive System
- Accessory Sex Glands – Male Reproductive System
- Prostate Gland – Male Reproductive System
- Penis – Male Reproductive System
- Ovary: Introduction – Female Reproductive System
- Ovary: Structure – Female Reproductive System
- Ovary: Stages of Follicular Development – Female Reproductive System
- Ovary: Primordial Follicle – Female Reproductive System
- Ovary: Secondary and Mature Follicle – Female Reproductive System
- Ovary: Corpus Luteum – Female Reproductive System

- Ovary: Summary – Female Reproductive System
- Other Structures – Female Reproductive System
- Uterine Tube – Female Reproductive System
- Uterus – Female Reproductive System
- Proliferative Phase – Female Reproductive System
- Cervix – Female Reproductive System
- Vagina – Female Reproductive System
- Mammary Gland – Female Reproductive System

Pelvis

- Male Reproductive Organs: Introduction
- Sectioned Pelvis: Bladder – Male Reproductive Organs
- Bladder and Urethra – Male Reproductive Organs
- Testes – Male Reproductive Organs
- Sperm Route and Seminal Vesicle – Male Reproductive Organs
- Prostate – Male Reproductive Organs
- Rectum – Male Reproductive Organs
- Male Reproductive Organs: Conclusion
- Female Reproductive Organs: Introduction
- Vaginal Fornix – Female Reproductive Organs
- Uterus: Broad Ligament – Female Reproductive Organs
- Uterus: Uterine Tubes – Female Reproductive Organs
- Ovaries – Female Reproductive Organs
- Female Reproductive Organs: Conclusion
- Branches of Internal Iliac Artery: Introduction
- Pelvis: Paired and Unpaired Arteries – Branches of Internal Iliac Artery
- Posterior Branches – Branches of Internal Iliac Artery
- Anterior Branches – Branches of Internal Iliac Artery

- Differences Between Male and Female – Branches of Internal Iliac Artery
- Blood Supply of the Rectum – Branches of Internal Iliac Artery
- Branches of Internal Iliac Artery: Conclusions
- Overview – Bony Pelvis
- Inferior and Medial View – Bony Pelvis
- Male and Female Differences – Bony Pelvis
- Pelvic Walls – Pelvic Floor
- Structure and Components – Pelvic Floor
- Superior View – Pelvic Floor
- Conclusions – Bony Pelvis and Pelvic Floor
- Perineum
- Perineum: Boundaries and the Perineal Membrane
- Ischioanal Fossa – Perineum and External Genitalia
- The Lateral Wall of the Ischioanal Fossa – Perineum and External Genitalia
- Anal Canal – Perineum and External Genitalia
- Analsphincters and Puborectalis – Perineum and External Genitalia
- Perineal Pouches – Perineum and External Genitalia
- Male Perineum
- Male Perineum: Superficial Pouch
- Female Perineum
- Perineum: Neurovasculature
- Perineum and External Genitalia: Conclusion
- Lymphatic System – Lymphatic Drainage of Abdominopelvic Organs
- Abdominopelvic Viscera – Lymphatic Drainage of Abdominopelvic Organs
- Lymphatic Drainage – Lymphatic Drainage of Abdominopelvic Organs
- Lymphatic Drainage of Abdominopelvic Organs: Summary
- Lymphatic Drainage of Abdominopelvic Organs: Conclusion

- Autonomic Nerves of Abdominopelvic Organs: Introduction
- Autonomic Nervous System – Autonomic Nerves of Abdominopelvic Organs
- Foregut and Midgut – Autonomic Nerves of Abdominopelvic Organs
- Hindgut – Autonomic Nerves of Abdominopelvic Organs
- Rectum and Anal Canal – Autonomic Nerves of Abdominopelvic Organs
- Erection, Emission and Ejaculation – Autonomic Nerves of Abdominopelvic Organs
- Autonomic Innervation: Summary
- Referred Pain – Autonomic Nerves of Abdominopelvic Organs
- Autonomic Nerves of Abdominopelvic Organs: Conclusions

Reproductive Endocrine Disorders

- Reproductive Endocrinology: Course Overview
- Reproductive Case: 17-year-old Woman with Absence of Menarche
- Primary and Secondary Amenorrhea
- Reproductive Case: 34-year-old Woman with Hirsutism
- Polycystic Ovary Syndrome (PCOS)
- Female Infertility
- Male Hypogonadism with Case
- Male Infertility
- Gynecomastia with Case
- Reproductive Case: 6-day-old Girl with Vomiting and Poor Feeding
- Congenital Adrenal Hyperplasia (CAH)

Reproductive Hormone Disorder

- Control of Adult Male Hormonal Secretion
- Leydig and Sertoli Cells
- Hypothalamic–Pituitary–Gonadal (HPG) Axis
- Hypogonadism
- Hypothalamic–Pituitary–Gonadal (HPG) Axis Differentials
- Male Hypogonadism
- Gynecomastia
- Erectile Dysfunction & Peyronie's Disease
- Diagnoses of Reproductive Syndromes & Deficiencies
- Hermaphroditism
- Diagnoses of Reproductive Hormone Disorders– Reproductive Pathology
- 5-Alpha Reductase Deficiency
- Androgen Receptor Antagonists

Male Reproductive System Diseases

- Introduction to Male Reproductive Pathology
- Penis Disorders: Types and Clinical Representation
- Cryptorchidism
- Varicocele
- Testicular Torsion
- Scrotal Mass, Congenital- & Acquired Hydrocele and Spermatocoele
- Testicular Cancer
- Types of Germ Cell Tumors (GCT)
- Types of Non Germ Cell Tumors
- Prostatitis (Prostate Infection): Types

Reproductive Pathology

- Disorders of Vulva, Vagina and Cervix 10 Videos
- Sexually Transmitted Diseases (STDs) 10 Videos
- Uterine and Fallopian Tube Disease 10 Videos
- Ovarian Diseases 11 Videos
- Pregnancy Complications 7 Videos
- Breast Disease 14 Videos
- Male Reproductive System Diseases 10 Videos
- Reproductive Hormone Disorders 13 Videos

Mediversal

Why Mediversal?

	Mediversal	
CPD hours/ Credit	✓ 110 hours/Credit	⚠ 3—50 hours/Credit
NMC Guideline	✓ Advantages in accordance with provision 1.4.2 of NMC regulations	⚠ Not all. (Very few)
Renowned International faculties	✓ Yes	⚠ Only for few subjects
Faculty to learner ratio	✓ 1:10	✓ 1:50 or 1:75
Case based learning	✓ Yes	✗ No
AI supported learning	✓ Yes	✗ No
Live Interaction Sessions	✓ Yes	✗ No
Clinical Attachments	✓ Yes (Case to Case basis)	✓ Yes
Associated with Hospitals for Clinical Training	✓ Yes	✓ Yes
Books	✓ Yes (Printable Pdf copy)	✗ No
Complementary e-Learning Module & Certification	✓ Yes	✗ No
Learner Support	✓ Yes	✗ No
Community of Doctors for peer support (Mediversal Alumni only)	✓ Yes	✗ No
Alumni Support	✓ Yes	⚠ Only a few
e-Certification	✓ Yes	✓ Yes
Physical Certification	✓ Yes	⚠ Only a few
Lifetime certificate validity	✓ Yes	✓ Yes
Digital Marketing and Business Support for your hospital/clinic	✓ Yes	✗ No
Admission process	✓ Smooth, Transparent & all details provided	⚠ Spamming through multiple channels.
Data and privacy protection	✓ Yes	✗ No
CME access	✓ Yes (Lifetime)	✗ No
Medico Legal Session	✓ Yes (Free. By renowned high court advocates)	✗ No
National Level Felicitation Award (for Mediversal Alumni)	✓ Yes	✗ No
